

SAFER TOGETHER – COVID-19 – TRAVELLING TO WORK

1. **Car**
 - ✓ Avoid car sharing with anyone from outside of your household or support bubble
 - ✓ Avoid more than **1 passenger** – remember, if there are 2 people in a car and one person catches the virus then the other person must also self-isolate
 - ✓ More than 2 people total in a car is prohibited on the NUK site
 - ✓ If 2 passengers – the same passenger each time – avoid different passenger per trip
 - ✓ **Passenger sits in the back diagonal to the driver** – at NUK this applies to all colleagues irrespective of social bubble
 - ✓ Open windows **car ventilation**
 - ✓ Cleaning and disinfecting practices shall be applied
2. **Taxis**
 - ✓ If taxi is required, you must wear a **face mask**
3. **Pedestrian / Bike / Motorbike**
 - ✓ Apply **social-distancing**
4. **Car Park to Buildings - Social Distancing**
 - ✓ Maintain a social distance of at least 2m (6ft) between you and any other person to avoid risk of infection
5. **Hygiene – Wash Hands**
 - ✓ Wash your hands properly, every time when entering a building and after you have had contact with surfaces. Avoid touching your face
6. **Mask – remember your clean masks x2**
 - ✓ Wear a mask – **use 2 clean masks every 4 hours** / change half way through shift/day
