

NIFCO UK Ltd. 2022 Gender Pay Gap Report

Nifco UK Ltd is committed to providing an inclusive workplace, which rewards everyone fairly for their contribution, regardless of background, race or ethnicity, with men and women paid equally for equivalent roles across the business. Our Gender pay gap reporting is influenced by some roles where we employ a large number of people, but our aim is to provide opportunities for all colleagues to develop their full potential.

Pay Quartiles

Pay Gap
